Revered Madam,

In the hope of some benevolence from your side, I hereby inform you that many students hailing from very poor background strive to study in college. We try our best to give them support by looking to generous & philanthropist people like you. A humble request to kindly support our three very needy but bright students. Your monetary help will be instrumental in helping them in continuing their studies and be self reliant. We will be extremely grateful to you for this act of kindness and looking forward for your earliest & positive response.
