

7.1.3 INITIATIVES FOR THE EFFECTIVE MANAGEMENT OF BOTH DEGRADABLE AND NON-DEGRADABLE WASTE

(Session 2023-24)

Kamla Nehru College for Women, Phagwara

The institution has implemented various initiatives for the effective management of both degradable and non-degradable waste. By adopting these waste management practices, college is contributing to a cleaner and more sustainable campus environment. The following practices were implemented:

1. Solid waste management
 2. Liquid waste management
 3. E-waste management
 4. Water recycling system
1. **Solid waste management:**

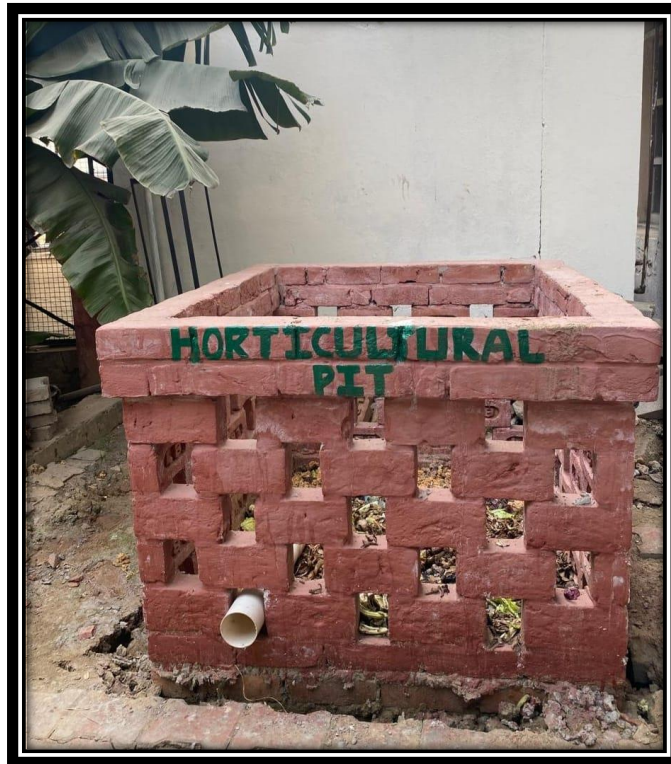

Placement of Color-Coded Dustbins for Efficient Waste Segregation

Placement of Color-Coded Dustbins in the laboratories

a) Horticultural pit construction

Horticultural Pit

a) Vermicompost Bed Construction

Vermicompost Pit

b) Green media
